It will only take a moment - send it in today!**

# \$4,400

- the average\* amount you'll save by attending NCCC for two years before transferring to a university.

It's less money for the same quality education you'd receive at a university. That means more money for other things and less debt when you graduate!

\* Average computed on Kansas public state universities tuition and fees as compared to NCCC.

# 3

- the number of times most students change majors.

NCCC provides you with the support you need to succeed no matter where you're headed after NCCC. Whether you need career counseling, tutoring, advising, or anything else, all of the staff at NCCC are here to provide the resources you need to achieve your goal.

# 100%

of our campus has wireless internet access.

NCCC is a small, rural college on the cutting edge! You'll be "connected" at NCCC with our wireless campus system updating you with text messages on upcoming events to instant messages from your advisor or admissions counselor.

- the average number of students in each NCCC class.

You won't just be a number. Your instructors will know you by name! You'll be prepared for whatever your future holds after your time at NCCC.
