

***You give to make a difference  
in the lives of others.***

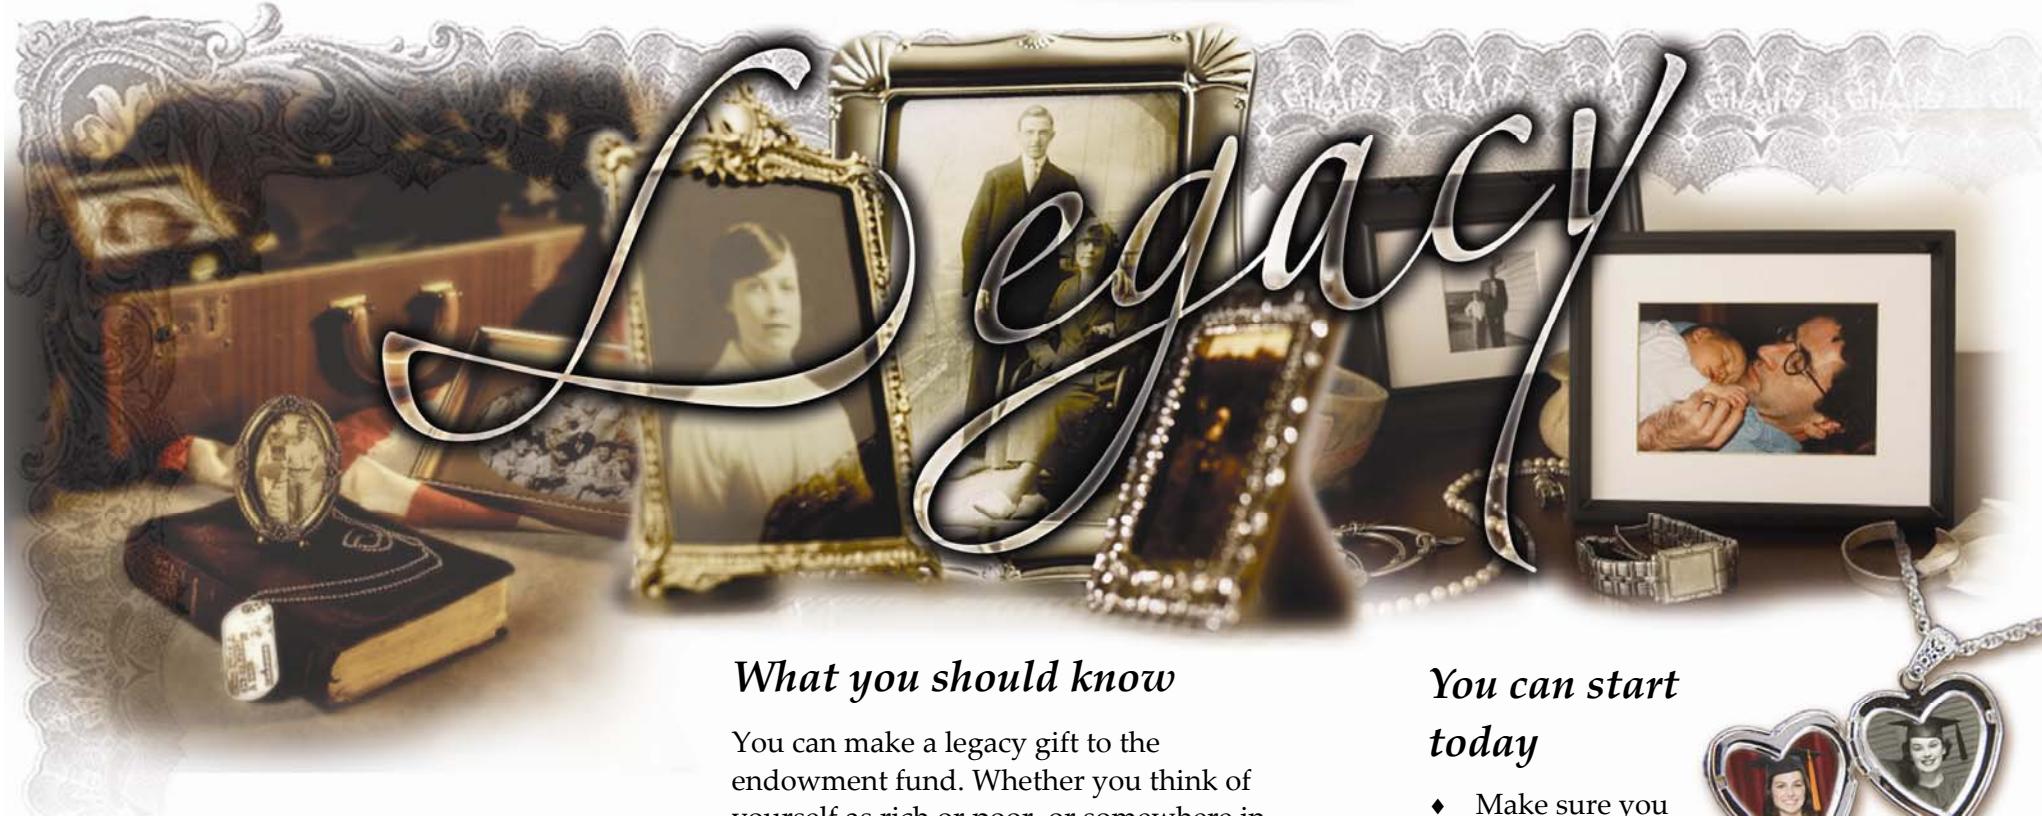

Your charitable gift touches those in need of education today. The world's problems aren't easy to solve, but your gifts build solutions in Neosho County. The Neosho County Community College Foundation also touches the future of students. These students will be creating your vision for a better world long after your lifetime. Their work, and the lives they touch, can be your legacy.

A collage of images on a dark background. It includes a framed photograph of a baby, a film strip, a computer keyboard, and a pair of glasses. The word "Legacy" is written in a large, elegant script font across the center of the collage. Below the collage, the text "Make a difference in the lives that follow." is written in a smaller script font.

## *A Message from a NCCC Supporter:*

"We rely on educational institutions & they rely on us. We rely on them to further our children's education, better our communities, and stimulate our citizens.

They rely on us for survival . While they receive support from governmental agencies, much of their funding comes from the public—people like you & I who give generously throughout our lives.

But did you know that by including a charitable gift in your will or estate plan, you can help to continue NCCC's work well into the future? You can continue to make a difference in the lives that follow. "

### *What you should know*

You can make a legacy gift to the endowment fund. Whether you think of yourself as rich or poor, or somewhere in between, your gift can make a difference. Even a small amount can have a big impact over time.

You can leave money to your family and to NCCC. Some people think they must choose between leaving a gift to their family or

NCCC. You can do both, *and* some charitable gifts may actually save your family money by decreasing inheritance taxes.

It's easy. A simple directive in your will can bring welcome support to this educational institution that will make a difference in many lives.

### *You can start today*

- ◆ Make sure you have an up-to-date will (or living trust) that reflects your charitable objectives. Without these documents, you surrender control of your property and assets to the courts.
- ◆ Contact your financial advisor (a financial planner, lawyer, or accountant) and ask for help in establishing a charitable gift. Should you need help with this, the NCCC Foundation has a group of professionals who volunteer their time to help.
- ◆ Make Neosho County Community College Foundation a beneficiary of your life insurance, pension plan, or IRA and provide an education for many students in the years to come.
